able results in organization. Through her unaided efforts the Victorian Order of Nurses was formed in face of the opposition of medical experts. She persevered in the plan of having trained nurses within reach of the sparsely settled sections of Canada, and now there is not a village nor hamlet which has not a branch of the Victorian Order of Nurses, these homes being the social centers of the communities. Lady Aberdeen also has been associated with revival of interest in Irish productions, and the Irish village at Chicago marked the beginning of these efforts. Workshops are established in every part of Ireland, and the output is soid in all opposition of medical experts. She perof Ireland, and the output is sold in all the markets of the world.

NEW AVIARY AT ZOO PARK RECOMMENDED

Resolution Indorsing Secretary Walcott's Proposal Adopted by District Audubon Society.

A resolution indorsing the recommendation of Secretary Walcott, of the smithsonian Institution, for the erection of a building for the housing and exhibition of birds in the collections at the National Zoological Park, was unanimously adopted by the Audubn Society of the District at a meeting yesterday afternoon in the residence of the president, Justice Job Barnard, 1300

the president, Justice Job Barnard, 1306 Rhode Island avenue northwest.

The resolution says the building now in use for these purposes is only a makeshift, being so small it is possible to place on exhibit only a portion of the collections, and declares that the birds exhibited are in crowded and insanitary cages, exposed to disease and accidental maining.

It is recommended that an aviary commensurate with the needs of the park should embrace accommodations for additional collections of unitye

the park.
The annual meeting of the Audubon Society will be held at the McKinley High School, January 20, at 8 p. m., when Norman McClintock, of Pittsburgh, is to give an illustrated lecture on "Intimate Studies of the Southern Water Fowl and Other Wild Birds."

Sounds James M. Hopper Appeals for Aid to Prove He Is United States Citizen.

SAN FRANCISCO, Jan. 12 .- James M. anuary 8, was responsible for twen- Hopper, novelist and short-story ed to join the French army, according to a cablegram received from him by his father-in-law, Joseph A. Leonard.

> Hopper appeals for aid in proving that he is an American citizen. The cablegram adds that the French war office has officially declared him to be a French citizen, and liable for army service. He asks that a certified copy of his marriage certificate be sent to him, but as the original was lost in the earthquake here nine years ago, this cannot be produced.
> Mr. Leonard said that Hopper's father was an Englishman and his mother was French. Hopper was born in Paris and it is believed that is

IRON BLOSSOM are optimistic. Why? It measure up to predictions made nine months ago by the management and our own expert, who spent several weeks on the ground. Recent discovery of rich ore and early completion of mill for treating the large amount of lowgrade ore should cause large, earnings from now on. Extra dividend declared Xmas. Other extras or an increase will not be out of line in 1916

Are those that do not fluctuate during dis-turbed conditions of the money or stock mar-kets. First deed of trust notes first mort-ages, well secured on real estate in the District of Columbia, constitute "gilt-edge" investments. They do not depend upon the financial responsibility of individuals or cor-porations for their stability, and are exemp-trom taxation as personal property. We can supply such investments in amounts from \$100 upward. Send for bookies "Concerning Loans and Investments."
